COURSE DESCRIPTIVE TITLE		

CALENDAR DESCRIPTION:

This course will provide an in-depth exploration of the experience of situational transitions. The nurse's role in promoting health with persons experiencing these lifestyle changes will require a knowledge of empowerment, vulnerability, resilience, gender empowerment and moral conflict. Theories of powerlessness, crisis management and ethics will provide the basis for the promotion of health. Collaboration with other disciplines and sectors will be addressed as it relates to health promotion. In addition, discussion of gender issues will present an enhanced awareness of gender specific factors in relation to the experience of situational transition.
